

## Online Giving Instructions:

Just recently the Harvest has been set up with *secure online giving*. They also have a specific designation for Brower Missions. This means you can do all your giving online, and you can even set up a *monthly deduction* from your account if that is easier for you. If you're anything like us, we find this to be time-saving and avoids having to use a stamp!!

### Here are the **quick instructions**:

- 1) Click on this link: [https://secure.qgiv.com/cps\\_donors/?key=churchoftheharvestofcolumbia](https://secure.qgiv.com/cps_donors/?key=churchoftheharvestofcolumbia)
- 2) Fill out the form as you see it on the online giving page

### Here are the **longer instructions**: (From Harvest homepage & for those who are new to this)

- 1) Go to [www.the-harvest.org](http://www.the-harvest.org)
- 2) Click on The Harvest Lexington Campus (box toward the bottom)
- 3) Next, in upper left of screen put cursor over "CONTACT" and move cursor down to "ONLINE GIVING" and click on it
- 4) Fill out the form as you see it on the online giving page

### **Special note about the Online Form:**

Under the category titled "Donation Information" do the following:

- 1) Under "Amount" you can click on "other" & it will give you a new box to fill in with your specific amount
- 2) **Under "Please direct my donation to" click "MISSIONS"**
- 3) **A new box "Select Designation" will appear...click on "BROWER MISSIONS"**
- 4) Under "Donation Frequency" you can decide how often the amount should be deducted from your account

*\*FYI...all online donations (just as those done by personal check/cash) to Brower Missions are tax-deductible.*

*\*\*When using online giving, the Harvest is charged a lower processing fee when you pay by "e-check" versus "credit." Either way, 100% of your donation goes directly to Brower Missions.*
