## GOOD TIDINGS OF GREAT JOY!

We are happy to announce the birth of our son, Luke Daniel Brower, on the 11th of November, 2011, at 11 minutes to 8pm in room #11. He weighed 7 lbs. 13 oz. and was 20 inches long. God has given us great JOY in this precious gift from Him!

Thanksgiving with Baby Luke.

### Prayer Points:

This upcoming 2012 being parents and missionaries.  
Many radical salvation's in the Drop - youth group.  
Direction for equipping our church for ministry in 2012

### Baby Luke~

Brownermissions now officially has it's newest member! We have clearly seen God's hand on this pregnancy as so many prayers have been answered! Even down to the timing of when to leave for the hotel (to be nearer the hospital and labor there), to when to leave for the hospital (where her water broke), to the willingness of the midwives to stick closely to our all natural birth plan...it was amazing! Thank you to all of you who were lifting us up in prayer.

### Worship in the Park~

A few months ago during a "week of prayer" at our church, Steve (our Pastor), felt God say, "Worship in the Park." He even wrote it on the wall, (Steve, not God :O) on a paper.) Many obstacles stood in the way, but what God started He intended to fulfill. I "happened" to meet one of the former mayors at a breakfast months ago and he said if there was, "ever anything we needed..." So we called him up. What was truly amazing was the weather forecast of rain all weekend. Saturday was a bit scary with all the rain, but Sunday was beautiful, and just to let us know it was a miracle, Monday it was lashing rain again. For two hours Tania, myself, the DCF Worship Team, our church and people from our town, sang songs to our God. We didn't have a hundred turn up (yet), but what a start to see people come by to see what was happening. This is a first for Dungarvan. People are not sure how to categorize us, but many are liking what they are seeing and hearing.

### Horizon~

International Family of Churches' Leadership Gathering took place in Dungarvan this year. The Horizon Network has formed through individual church friendships, not just denominational doctrinal statements. The Lord is unifying us first in Him, then in vision and peripheral theology. It is wonderful to have "cross-pollination" of other parts of the Church to enrich us and give us DNA that can reproduce here in Europe.

# Happenings in September, October & November

This past week we had 30 non-church teens come to the Drop, our youth outreach! God is opening doors into the youth of Ireland for what He has in store for the future. Pray that many will open their heart to Christ and get involved in Church in 2012. (Right) teens play X-Box on projection screen and hang out and chat with us downstairs.
